USTA/Midwest Tennis & Education Foundation General Application

INTRODUCTION

Who is the USTA/Midwest Tennis & Education Foundation? The USTA/Midwest Tennis & Education Foundation was founded in 1992 as the charitable arm of the USTA/Midwest Section and has been supporting communities, programs, and individuals to provide greater educational opportunities for youth and players with disabilities of any age across the Midwest Section. We make a difference by providing tennis opportunities to diverse youth from many cultural, ethnic, and socioeconomic backgrounds. The Foundation places emphasis on programs and activities that provide youth with a positive, fun, and disciplined environment to learn the game of tennis in communities that might never otherwise experience it.

- The application process starts with a general application.
 - If you are a parent completing the application on behalf of your child, please make sure to answer age-related questions as it pertains to your child.
