DIVERSITY PROGRAM GRANT
The USTA/Midwest, Inc. (USTA/Midwest Section) Tennis Diversity Program Grant is available to those organizations who initiate/expand USTA programs, or recreational tennis programs to racially, ethnically, socio-economic, and LGBTQ+ diverse communities. The goal of this grant is to increase tennis participation among adults or youth within these specific groups. The maximum awarded amount is up to \$2,000.
Any program registration fee should be reasonable to encourage participation, be affordable for families in the community, and provisions made for interested participants who lack funds. Applying organizations must be open to all people, regardless of race, color, creed, religion, gender, national origin, age, disability, sexual orientation, citizenship status, or veteran status.

WHEELCHAIR PROGRAM GRANT
One of the ways the USTA/Midwest, Inc. (USTA/Midwest Section) continues to increase wheelchair tennis participation is through awarding grants to organizations that promote and develop the growth of wheelchair tennis and use the sport of tennis to build stronger, healthier communities.

ADAPTIVE PROGRAM GRANT
The USTA/Midwest, Inc. (USTA/Midwest Section) is committed to promoting tennis at the local level. To that end, program grants are offered to organizations within the USTA/Midwest Section, to assist them in initiating or expanding their Adaptive Tennis programming activities.
